## HIGH-SPEED ACCESS PAPERLESS DELIVERY

In line with its “paperless delivery” initiative, Access Credit Leasing is proud to launch its **new automated employment verification system**. In fact, as of March 22, 2019, Access Credit Leasing will begin using the latest technology in employment verification.

### ADVANTAGES:

- No verbal job checks with employers required
- Income verified within minutes
- No paper bank statements required
- No paper void checks required
- Second piece of identification no longer required

### CONDITIONS:

- The customer's current personal bank account must have been active for a minimum of 3 months
- Several sources of income must be deposited into this same bank account (salary, pension, worker's compensation, etc.)
- The customer must complete the **“FLINKS”** online form sent to him via email and select this same personal bank account
- The income figures must correspond to those indicated in the original credit application sent to Access Credit Leasing

### NON-ELIGIBILITY:

- The customer must provide his most recent paystub dated within 30 days of his application
- Access Credit Leasing must proceed with a verbal job check with the customer's employer
- The customer may be required to provide his last three months of bank statements
- He must also provide a second piece of identification
